1. **What is the minimum amount of funding you could utilize to complete your proposed project or program?**

   Without CDBG funding we would still provide shelter services but a decrease in funding could decrease our ability to provide the full range of services to shelter clients. A substantial cut would force us to take partial funding from therapy and/or case management services. If we only received $7,500 we could keep double coverage during the evening hours and reduce it by one hour a day.
